# A short presentation

**SIMGBM**  
Società Italiana di  
Microbiologia Generale  
e Biotecnologie Microbiche

# Who we are

- Funded in 1982
- Ca. 350 members (constant since 1990s)
  - Ca. 200 senior with permanent position
  - Ca. 80 senior with temporary position
  - Ca. 50 junior
  - Ca. 20 foreign members
- Members from Academia, Research Institutions, Biotech Companies

- Affiliated to

# **SIMGBM mission**

To foster microbiological research in Italy and to promote collaborations and visibility of Italian microbiologists, in particular in the following areas:

- 1) Agro-food microbiology
- 2) Environmental microbiology
- 3) Industrial microbiology
- 4) Microbial pathogens
- 5) Microbial biotechnology
- 6) Microbial genetics
- 7) Microbial physiology
- 8) Virology

**SIMGBM**  
Società Italiana di  
Microbiologia Generale  
e Biotecnologie Microbiche

# Governance

**President**

**Secretary &  
Treasurer**

**Directive board (8 members)**

- 1) Agro-food microbiology
- 2) Environmental microbiology
- 3) Industrial microbiology
- 4) Medical microbiology
- 5) Microbial biotechnology
- 6) Microbial genetics
- 7) Microbial physiology
- 8) Virology

Renewed after the 3rd year

# What we do

- Society Congress (every other year, odd years)
- Young scientists meeting on Microbial Genetics (“Cortona procarioti”, every other year, even years)
- Participation to the the Italian Federation of Life Sciences Congress (every other year, even years)
- Environmental Microbiology meeting (Bertinoro)
- Support to microbiology-related conferences held in Italy
- Summer schools
- Annual prizes to young researchers:
  - “Franco Tatò” prize to a selected PhD thesis in Microbial Biotechnology;
  - “Mario Campa” prize to a selected PhD thesis in General Microbiology;
  - “Naicons” prize to a selected research paper on Bioactive Microbial Molecules)

# Last and next SIMGBM Congresses

## Microbiology **2019**

XXXIII SIMGBM Congress  
Florence, June 19-22, 2019

Online registration deadline: May 31

For information: [www.simgbm.it](http://www.simgbm.it)

## **2021**

## Cagliari September 15-18
